

The Idea Hoarder

For the Activity Collector in You

Game Activity

For this activity you can use real flip flops (buy them on clearance this month!) or find a template on Pinterest. Print two copies of your bible story questions. Tape the questions to the bottom (or back) of the flip-flops. Line up the flip-flops in a grid pattern. The object of the game is to turn over two matching questions. If the questions match, the child will read and answer the question. If the questions don't match, the child will turn them over and the turn goes to the next child. It may help to put a symbol such as a star, smiley, box, arrow, etc. in the corner of the bible story question so that early readers may identify quickly.

Flip Flop Concentration

Craft Activity

For this craft you will need for each child: one craft stick, two pieces of duct tape 1/2" wide by 6" long, a piece of cardstock 3" x 3" square, a rubber band, a 12" piece of yarn, markers and a stapler to share. Place the cardstock on the craft stick, edge to edge and evenly between the ends. Staple twice. Wrap the duct tape strips around the craft stick on either side of the card. Tie the yarn between the card and duct tape ONLY ON ONE SIDE. Stretch the rubber band from one end of the craft stick to the other. Decorate the card with your bible verse or "Tell The Good News!" OUTSIDE - Hold the end of the yarn and whirl the card over your head in a lasso motion to make it BUZZ!

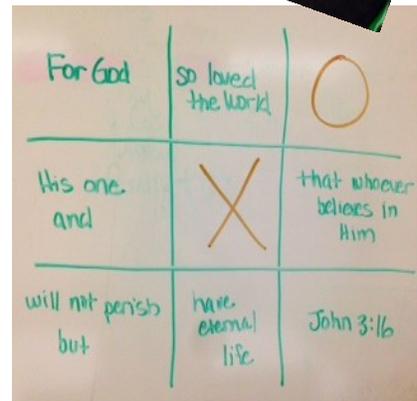

Good News Buzzer!

Bible Skill Activity

For this activity you will need a dry erase board, dry erase marker and eraser. Draw a large Tic Tac Toe grid. Write the memory verse in phrases across the grid. Divide the children into two teams. Ask everyone to recite the verse. Flip a coin to see which team plays first. The player from team one will erase one phrase from a square and replace it with an X. Ask the children to recite the verse again. A player from team two will erase a phrase and replace it with an O. Continue until Tic Tac Toe is complete. Repeat the game.

Memory Verse Tic Tac Toe
